Because of its spectacular dive sites, Belize attracts divers from around the world and the Ramon's Village Divers' dock is the perfect launching point for any underwater excursion.

Ramon's Village Divers is the oldest and most respected dive shop in all of Belize. Rick Sutherland has managed our shop since 1989 and employs only the best of "Belize's Best" divers to care for our guests. We have been a PADI 5 Star IDC Resort since 2008.
